

EXTENDED CLOSURE UPDATE – 4/3/20

Hello Dragon Nation,

Due to continued growth in the impact of the Coronavirus, I will be adding two additional weeks to the current extended school closure. The district will now be closed through April 24th. My goal is to evaluate the situation on a daily basis, but consider school closure extensions in two-week timeframes. The online and/or paper copy learning expectations will continue during this extended time frame. Again, it is imperative that learning does not come to a complete halt during this time. All students are expected to engage in the learning activities being provided by their teachers.

As a staff, we are constantly monitoring and adjusting to this new reality of off-site learning. With that said, starting this week every Friday will be considered a flex day. Students will have the option to use Friday as a day to get caught up or simply step away from the learning activities as we recognize this has been a major adjustment for all. Teachers can also utilize Friday for planning or also just step away as we know they, too, are inundated with wading through this new approach.

Please don't forget that we will continue offering meal support for families that need this extra help. Don't hesitate to make contact with us if you need help. We want to do our best to ensure everyone is taken care of. Please email Ashley Kalin at akalin@midbuchanan.k12.mo.us or Jay Albright at jalbright@midbuchanan.k12.mo.us if you are in need of extra meal support.

Please tell your kids how much I miss and love them. I can't wait to see all of their smiling faces again.

Be Safe,

Jay
